## A September of Gratitude, Growth & Giving Back

September has been a month that beautifully balanced celebration, compassion, and expansion at Karigari. From honoring teachers on **Teachers' Day** to sharing the joy of food with underprivileged children at the **SaiKripa Foundation**, this month reminded us of the deeper purpose behind hospitality — creating impact beyond our restaurants.

It was also a month of milestones, as we proudly announced the opening of our **12th outlet in Chandigarh** and signed new locations in **Gurugram and Bengaluru**, strengthening our vision of becoming a truly pan-India brand. Alongside, our growing social media presence and strong sales performance continue to validate the love and trust our guests place in Karigari.

September has shown us that Karigari is not just about serving food, but about serving people, communities, and stories. As we look ahead, these values will continue to guide us in every step of our journey.

## Teachers' Day Celebration – Honouring Those Who Shape Futures

On the occasion of **Teachers' Day**, Karigari had the honour of hosting a special lunch for the dedicated educators from **Apna Ghar Social Welfare Society** at our **Sector 51 outlet**. The afternoon was filled with warmth, gratitude, and meaningful conversations — a small gesture from our side to celebrate those who dedicate their lives to shaping young minds and nurturing brighter futures.

**Apna Ghar Social Welfare Society** was formed with the sole purpose of serving the community. The organisation works tirelessly for the welfare of underprivileged children by providing them access to quality education, while also supporting women and the elderly — regardless of caste, creed, religion, or background — to help them become economically and mentally self-reliant. With a strong focus on educational excellence, Apna Ghar uses computer-aided learning and innovative teaching methods to ensure conceptual clarity for its students. Their efforts have enabled seamless integration of first-generation learners into mainstream schools, and they continue to provide free after-school tuition to help these children thrive.

At Karigari, this celebration was more than an event — it was a reminder of the power of kindness, education, and community. We are proud to have partnered with such an inspiring organisation and look forward to supporting more initiatives that bring positive change to society.

## Karigari at World Food India 2025 – Celebrating Culinary Excellence

Team Karigari had a remarkable experience at the **World Food India 2025 Expo**, a premier celebration of innovation and excellence in the culinary world. Our very own **Chef Harpal Singh Sokhi** graced the event as the **Chief Guest**, embodying Karigari's spirit of creativity and craftsmanship.

**Mr. Yogesh Sharma (Founder & CEO)** and **Mr. Manish Sharma (Co-founder & COO)** also attended the expo, exploring new trends and collaborations shaping the F&B industry. The event was an inspiring experience that reinforced Karigari's commitment to innovation while staying true to its roots.

# Karigari Spreads Warmth with Biryani at SaiKripa Foundation

Continuing our mission to share happiness through food, **Team Karigari**, led by our **Co-founder & COO, Manish Sharma**, visited **SaiKripa Foundation** and served our signature **Biryani** to the children. The visit was filled with laughter, warmth, and heartfelt conversations as we spent time with the kids, bringing smiles to their faces and joy to their hearts.

## About SaiKripa Foundation

The SaiKripa Foundation was founded by **Ms. Anjina**, whose compassion and determination gave rise to this noble initiative. The story began in Bellary, Karnataka, where as a young girl, she was moved by the plight of orphaned children collecting donations for their home. Years later, after moving to Noida and with support from well-wishers, she turned her dream into reality by establishing SaiKripa in **1989**.

Today, the foundation continues to provide underprivileged children with shelter, education, food, and emotional support, along with empowering women and the elderly to become self-reliant. **Karigari** is honored to have shared its flavors and time with the SaiKripa family, reaffirming our belief that food truly connects hearts.
